

FROM THE GENERAL MANAGER

PAUL HUGHES

We have had a beautiful summer so far and there is much more to come. The new patio has been an absolute success and I thank everyone involved in this project. This is the type of teamwork that separates us from the rest. NYC members are the cornerstone of our club and we need to continue this philosophy as we move into next year. No

one person or group can do this alone. The management team is committed to coming up with new ideas and supporting traditional events as well. In the meantime, bring us your thoughts for the coming months. We need to band together and make it happen. If you have an idea, get behind it and we will be there with you.

I need your help with a two ongoing initiatives.

Energy Savings - we are doing a bit better than last year, but if we really put forth more effort, I know we can do better. Please help the NYC by minimizing your power needs on your boat and throughout the clubhouse by simply turning out lights when not in use. This works.

Clutter and garbage - we police the club on a daily basis and have checklists, but we still have issues with people littering and throwing cigarette butts on the ground. Yes, we have guests that we continue to monitor, but with your help, we can keep this clubhouse and these grounds clean and presentable for you and your prospective members.

Again, thanks for all that you do for the NYC. Remember, we are a family of friends with much passion.

See you at the club.
Paul

Ribs on the River Menu

Friday, August 13th
Dinner Starts 6:30 pm

8pm Entertainment
Dal Bouey
\$25⁺⁺

Cole Slaw
Marinated cucumber and tomato salad
Ranch style baked beans
Summer Collard greens with smoked Turkey
St. Louis style pork spare Ribs with BBQ sauce
Rolls and corn muffins
Peach Cobbler with fresh whipped cream

A SPECIAL THANK YOU

TO ALL OUR SUPPORTERS

FROM THE 2010 MISS NYC COMMITTEE

I personally want to thank each and every one of you for all your hard work & commitment to a long standing tradition at the Detroit Yacht Club. Our members and staff helped out in various ways this year to help raise the sponsorship monies that we needed to help the DRRR make this event happen.

This was a tougher year than last year in more ways than you can imagine. The NYC didn't have their traditional presenting sponsor, but we anchored on with The Spirit of Detroit's Sponsor, Ambassador Magazine. This year we gained more new Miss NYC sponsors across all sponsor levels. THANK YOU ALL!!

Our U-13 crew & driver Cal Phipps represented us very well in the pits, on the radio and at the NYC and where it really counted, on the Gold Cup Race Course. Best wishes for the 2010 race season, be safe & fast, we know you'll continue to represent our NYC with pride.

I received an e-mail from Mark Hooton, Team Manager for the Formula U-5 & U-7 boats, that I wanted to pass along to our members:

"Mary: thanks again to the members of the NYC for the assistance with the Gold Cup and the U-13 team this year. Cal races hard; he races cleanly, and is a good representative for the Yacht Club.

I have several friends on that team and am glad to see how well they've done so far this year."

*Best regards, Mark G. Hooton, Team Manager
U-5 & U-7 Racing*

Once again, THANK YOU ALL, for helping us keep the tradition going.

Mary Rachwal
2010 Miss NYC Committee Chair

U-13 Spirit of Detroit VIP Party, June 26, 2010 Specially for Miss NYC Sponsors and potential sponsors

This wonderful event was hosted by Owner Dave Bartush & Crew. We had a great time and a great turn out too. We met the crew & the

driver Cal Phipps. We toured both of Dave's huge shops and got to look at some very cool vintage hydroplanes, the Pringle's boat comes to mind. We are really lucky to have a race team's home port of call back where it belongs in the Motor City. Ambassador Magazine photographer Brian Donohue was onsite to take pictures. If you want to contact him for a copy of your photo, please let me know.

Mary Rachwal, 2010 Miss NYC Committee Chair
