Volleyball and Bocce Ball News Update.

A number of members and non members of all ages have discovered friendly competition on our new courts. Without notice or invitation they have arrived with anticipation to discover how much fun it can be to get out and play and meet new people. No previous experience necessary.

Even with the extreme heat there were numerous spontaneous events. In one case I saw an early morning group of visitor boaters who saw the courts last year, scheduled a return boat trip with more friends and had their own Bocce tournament. In other times there have been a men/women tournament and guess who won...even measuring with their pretty belts! Sunday afternoon there is always a group gathering with spectators.

The use of our picnic areas adjacent to the sports complex (like the sound of that!) was used by some as a way to enjoy watching games of Volleyball and Bocce. Next year we hope to have a grill to cook on while enjoying even more of the "SPORTS COMPLEX".

Michael Teranes is the Volleyball coordinator and together we would like to invite you to our September schedule of open drop-in games on Saturday and Sunday at 2pm for both Volleyball and Bocce Ball. September means less heat and more energy!

Please come and participate. Tough to get going but glad you did it when the fun is over!
